(f) Grant such other and further relief as thought fit in the interest of justice."

4. It is the case of the petitioner that the petitioner is owner of JCB/Caterpillar 424 Back Hoe Loader No. GJ-11-M-5235 (hereinafter referred to as 'the vehicle in question'). It is the case of the petitioner that on 10.03.2021, the respondent nos.2 and 3 has seized the vehicle of the petitioner under Rule 12. The petitioner states that as the said vehicle was excavating ordinary sand the case was forwarded by police to the Geology Department. On 09.04.2021, the respondent no.2 has issued one notice to the petitioner asking him to pay the Rs.1,24,388/- for Royalty, Rs.51,177/- Environment Compensation, JCB Machine Rs.2,00,000/- and Dumper Rs.1,00,250/- total of Rs.4,76,535. The petitioner replied the said notice by stating that the vehicle was permitted by Deputy Executive Engineer Office, Panchayat Irrigation Sub Department-1, Junagadh for removing soil from lake of village Makhiyala for 30 days and 400 trips from 09.03.2021, hence it was carrying permitted work and in fact no statement of driver was ever recorded and even the vehicle was not weighed at the relevant time and no panchnama was prepared and the proceedings of the seizure of the vehicle itself is illegal and prayed to released the vehicle. Therefore, the petitioner has not committed any offence which falls under the ingredients of rule 12 of Gujarat Mineral (Prevention of illegal Mining, Storage and Transportation) Rule 2017.

5. Mr. C P Chaniyara, learned advocate for the petitioner has submitted that as is clear that the The petitioner is owner of JCB/Caterpillar 424 Back Hoe Loader No. GJ-11-M-5235(hereinafter referred to as 'the vehicle in question') vehicle came to be seized on 10.03.2021 by the respondent No.2 and since then vehicle is lying with the respondent authorities, no steps worth the name have been initiated by the respondent, much less filing the F.I.R. as provided under sub-clause (ii) of sub-clause (b) of sub-Rule (2) of Rule 12 of the Gujarat Mineral (Prevention of Illegal Mining, Transportation and Storage) Rules, 2017 (hereinafter referred to as the "Rules of 2017"). It is submitted that in absence of any F.I.R. registered beyond the specified period, the action of the respondent authority seizing the vehicle, is illegal and against the principles laid down by this Court in the case of Nathubhai Jinabhai Gamara v. State of Gujarat, rendered in Special Civil Application No.9203 of 2020. It is submitted that this Court has categorically held and observed that if the complaint is not registered as

envisaged under sub-clause (ii) of sub-clause (b) of sub-Rule (2) of Rule 12 of the Rules of 2017, in absence of the complaint, the competent authority will have no option but to release the seized vehicle without insisting for any bank guarantee. Therefore, the principles laid down by this Court in the case of *Nathubhai Jinabhai Gamara v. State of Gujarat* (supra) applies to the facts of the present case. It is therefore urged that the petition deserves to be allowed directing the respondent authorities to release the vehicle. It is urged that the petition be entertained only for the limited purpose of release of the vehicle.

6. On the other hand, the learned Assistant Government Pleader has fairly conceded upon instructions that no First Information Report has been registered as provided under the provisions of Rules of 2017.

7. Heard the learned advocates appearing for the respective parties.

8. It is not disputed rather conceded that after the period of 45 days, no First Information Report has been registered by the respondent authority. Therefore, the principle laid down by this Court in the case of *Nathubhai Jinabhai Gamara v. State of Gujarat* (supra) applies to the facts of the present case.

9. In the aforesaid judgment, this Court, while dealing with the provisions of the sub-clause (ii) of sub-clause (b) of sub-Rule (2) of Rule 12 of the Rules of 2017, in paragraphs 7, 10 and 11 has held and observed thus:-

"7. Pertinently the competent authority under Rule 12 is only authorized to seize the property investigate the offence and compound it; the penalty can be imposed and confiscation of the property can be done only by order of the court. Imposition of penalties and other punishments under Rule 21 is thus the domain of the court and not the competent authority. Needless to say therefore that for the purpose of confiscation of the property it will have to be produced with the sessions court and the custody would remain as indicated in sub-rule 7 of Rule 12. Thus where the offence is not compounded or not compoundable it would be obligatory for the investigator to approach the court of sessions with a written complaint and produce the seized properties with the court on expiry of the specified period. In absence of this exercise, the purpose of seizure and the bank guarantee would stand frustrated; resultantly the property will have to be released in favour of the person from whom it was seized, without insisting for the bank guarantee.

10. The bank guarantee is contemplated to be furnished in three eventualities: (i) for the release of the seized property and (ii) for compounding of the offence and recovery of compounded amount, if it remains unpaid on expiry of the specified period of 30 days; (iii) for recovery of unpaid penalty. Merely because that is so, it cannot be said that the investigator would be absolved from its duty of instituting the case on failure of compounding of the offence. Infact offence can be compounded at two stages being (1) at a notice stage, within 45 days of the seizure of the vehicle; (2) during the prosecution but before the order of confiscation. Needless to say that for compounding the offence during the

prosecution, prosecution must be lodged and it is only then that on the application for compounding, the bank guarantee could be insisted upon. In absence of prosecution, the question of bank guarantee would not arise; nor would the question of compounding of offence.

11. The deponent of the affidavit appears to have turned a blind eye on Rule 12 when he contends that application for compounding has been dispensed with by the amended rules inasmuch as; even the amended Rule 12(b)(i) clearly uses the word "subject to receipt of compounding application". Thus the said contention deserve no merits. Thus, in absence of the complaint, the competent authority will have no option but to release the seized vehicle without insisting for bank guarantee. There is thus a huge misconception on the part of the authority to assert that even in absence of the complaint it would have a dominance over the seized property and that it can insist for a bank guarantee for its."

It has been held that it would be obligatory for the investigator to approach the Court of Sessions with a written complaint and produce the seized properties with the Court on expiry of the specified period. In absence of such exercise, the purpose of seizure and the bank guarantee would stand frustrated; resultantly, the property will have to be released in favour of the person from whom it was seized, without insisting for the bank guarantee.

10. In view of the fact that no First Information Report has been registered and the principle laid down by this Court in the aforesaid case applies to the facts of the present case, the present petition deserves to be allowed and is accordingly allowed to the limited extent of directing the respondent to release the vehicle of the petitioner i.e. JCB/Caterpillar 424 Back Hoe Loader No. GJ-11-M-5235. It will be open to the respondent authority to consider the reply and pass orders, strictly in accordance with law. It is clarified that this Court, has not examined the merits of the issue involved and the observations made are only for the limited purpose of releasing the vehicle.

11. In view of the aforementioned discussion, the petition succeeds and is accordingly allowed in part. Rule is made absolute to the aforesaid extent. No order as to costs. Direct service is permitted.
