Judgement

M.A No. 2609 of 2019:

1. Heard !earned counsel for the parties on the point of delay.

The delay of 5380 days in filing the 0.A has been explained by the applicant. Keeping in view the averments made in the M.A and finding the same to

be bona fide and in the light of the decision in Union of India and others v. Tarsern Singh (2009(1) AISL1 371), we allow the instant M.A and condone

the delay of 5380 days in filing the O.A.

O.A No. 1681 of 2019:

3. The present 0.A has been filed by the applicant praying for revision of his pension in accordance with the last rank held by him before retirement,

i.e. Master Warrant Officer (MWO) on the basis of the Government of India circular dated 09.02.2001, wherein it has been clarified that ten months'

continuous service in the last rank held is not required for grant of pension in such rank. In this regard, reference is made to orders of this Tribunal

(Principal Bench) in JWO Pramod Kumar Singh and others v. Union of India and others (0.A. No. 1166 of 2017) and 114/0 Ashok Kumar Tan war

and others v. Union of India and others (0.A. No. 882 of 2016). The applicant has also referred to the order of the Tribunal (Regional Bench),

Chennai in the matter of Thiagrajan Vs. Union of India and others (0.A. No. 93 of 2014), which waived off the ten months as stipulated in Para 123 of

Pension Regulations for Air Force 1961 and opined that ""pension cannot be deprived to an individual to a rank for which he has already rendered his

service and that the applicant had earned his pension in the rank of 31/1/0 already, and therefore, is entitled to be paid pension in the rank of IWO.

Even if; for some reason, such a pension is found to be less, the applicant is entitled to receive the highest pension he earned already. The said

statutory right for pension already earned by the applicant cannot be reduced even if an undertaking is executed by him for the receipt of any lower

pension in the rank of IWO'.

4. Though the respondents concede that the requirement of holding the last rank before retirement has been dispensed with, keeping in view the

Government of India circular dated 09.02.2001, they, however, contended that they are correct in giving pension to the applicant in the lower rank as it

is financially more beneficial.

5. We find that there is a catena of judgments of various Benches of the Armed Forces Tribunal on this issue. Consequently, the fact that the

applicant is entitled to pension in the last rank held by him, even if he held it for a duration of less than 10 months, stands clearly established.

6. On the issue of pension amount so authorised, we find that the argument that a junior promoted to a senior rank (e.g. MVVO or WO) should be

pegged at a pension of his last but one rank (i.e. one rank junior to the one he retired), as proposed by the respondents is fallacious. It is also violative

of the ratio and the principles laid by the Honlble Supreme Court in D.5. Nakara Vs. Union of India and others (1983) 1 SCC 12.5 It is also not

possible, in rational calculations, to peg the pension of a PBOR, who has held the higher rank for less than ten months, to be computed a pension for

his previous and lower rank. Additionally, all future pay revisions due to new Pay Commission and five yearly OROP revision are primarily based on

two factors i.e. last rank held and years of service, hence reflection of a lower

rank in PPO as compared to the actual higher rank (held for less than

10 months) is bound to reduce future upgradation and revision of pension.

7. On the exact method of calculation, we find that in a judgment of the Tribunal, Regional Bench, Chennai in _IWO P. Gopalakrishnan v. Union of

India and others (0.A. No. 62 of 2014 decided on 13.02.2015), the complete import and implication of the circular dated 02.02.2009, Regulations for

the Air Force Part I and the GoI MoD letter dated 22.11.1983 has been explained. The Government policy letters dated 07.06.1999, 09.02.2001 and

17.12.2008 have been considered. Most significantly, the recommendations of the 6 CPC, accepted by the Government of India through its letter dated

11.11.2008 and the circular dated 02.02.2009, have also been considered. We find that the specific letter number being identical, in all probability, the

date of Government of India communication is 12.11.2008 and not 11.11.2008.

8. In consideration of all these issues as well as the circulars, the Tribunal, in that case, came to the conclusion that the basis of calculation being

pursued in the instant case was detrimental for the pension of petitioner. To this end, we would like to quote Paragraph 14 of the order in the case of

IWO P. Gopalakrishnan (supra), which reads as under:

For appreciating the rival contentions, we have gone through the Tables annexed with Circular 430 issued in pursuance of the policy letters

dated 11.11.2008 by the Government of India. As per the Circular 430 in Table 116, we find the revised pension of Sergeant rank who has

completed 20 years of service and retired after 01.04.2004 was fixed at Ps. 3,694/-. The submission of the learned Central Government

Standing Counsel as to the pension of Sergeants who retired on 01.05.2005 shall be Rs. 3,694/- is found correct to that extent. However,

when we go through the service pension payable to a JWO in Table 116 of Circular 430 having 20 years of service and retired after

01.04.2004 would be Rs. 4,711/-and not Rs.3,358/- as put forth by the respondents. Therefore, the pension payable to the applicant as on

13 01.2005 in accordance with the policy letters of the Government of India dated 0706.1999 and 09.02.2001 would be R5.4,711/- and not

Rs. 3,694/-. Similarly, the benefits conferred upon the IWO as per the VI Central Pay Commission recommendations as tabulated in Table

116 of Circular 430 for 20 years of service, we see that the pension payable to

Downloaded from CourtKutchehry — https://dev.courtkutchehry.com/judgments/gangadharan-puthalath-appellant-…

the applicant with effect from 01.01.2006 would be Rs.

7,100/- and the revised pension with effect from 01.072009 would be Rs. 8,720/-. When the benefits conferred upon the Armed Forces

personnel on the changed policies have been dearly laid down in the Circular 430 containing several Tables, it ought to have been issued

by the respondents without any request from the applicant. However, we find that the applicant had sought for payment of pension in the

last held rank on several occasions and it was not heeded. The claim for pension is a statutory right and the respondents ought to have

granted the entitled pension, admittedly, even without issuing any corrigendum in the PPO. This has been reiterated in various

communications of the Government. Therefore, the respondents are under the obligation to revise the pension when it is brought to their

notice of any defect in granting the pension. However, in this case, the respondents have not acceded to the plea of the applicant even when

it was raised immediately after his retirement.

9. We find that the respondents need to implement the calculation of pension for the applicant as mentioned above, as he is similarly placed to the

applicant in .11/1/0 P. Gopalakrishnan (supra).

10. Accordingly, the instant 0.A is allowed. The respondents are directed as under:

(I) calculate the pension of the applicant based on the last held rank by him before retirement i.e. MWO and in consonance with the principles of

calculation that have been upheld in .11170 Gopalakrishnan (supra) in this regard; and

(ii) The applicant will be accordingly issued a fresh corrigendum PPO in the last rank held by him within a period of three months and arrears paid

accordingly, failing which, it shall carry interest @ 6% till actual payment.

11. No order as to costs.
