respondent no.2- Superintendent of Police Sirsa is directed to look into the representation of the petitioners on the aspect of threat perception and to take appropriate action, in accordance with law

This Court has heard learned counsel for the parties.

It goes without saying that the protection of life and liberty is a basic feature of the Constitution of India as emanating out of Article 21. Every person, more so, a major, has right to live his/her life with a person of his/her choice. Whenever this Court, prima-facie, is satisfied that on account of some relatives/persons being unhappy with the relationship between the petitioners could cause harm to the life and liberty of the petitioners, then in such circumstances, the Courts are required to pass necessary directions for their protection.

Keeping in view the abovesaid facts and circumstances, this Court deems it appropriate to dispose of the present petition with a direction to respondent no 2 to consider the representation dated 27.12.2022 (Annexure P-5) and to assess the threat perception to the petitioners and after considering the same, respondent No. 2 shall take appropriate action in accordance with law

Accordingly, the petition stands disposed of with abovesaid directions.
